### SUMMARY

With nearly two decades of teaching and educational experience, Tracy has coordinated and directed facility planning and educational specifications efforts for school districts of all sizes throughout the United States. He knows firsthand that the educational planning process must be driven by a motivated team of knowledgeable problem solvers who demonstrate expertise, guidance and direction that come from working many years in the industry.

Tracy and the DeJONG-RICHTER team have helped more than 1,000 school districts develop outstanding learning environments through a systematic process that combines key data analysis with community participation and feedback. The resulting facility plans are not only strategic, but also include long-term goals to build a strong vision and future for the communities involved.
